WORST FORM ECZEMA

Defied Best Medical Skill for Eight Months. Cured in Two Months by Cuticura Remedies.

This is to certify that a child of mine had Eczema in the worst form, and which defied the best medical skill that could be obtained here. The little sufferer was wraged in agony for at least eight months. His mother, Mrs. J. A. Niles, writes that during the time his suffering was simply unendurable, she began the use of the CUTICURA REMEDIES. In two months the awful disease had ceased its violence, and my darling boy had rest, and to all appearances, the disease had yielded, but I continued the medicine for several months after no trace could be seen of it on any part of his body. The doctors here watched the disease with much interest, and could only say "Well done!" The cure was known far and wide, and everybody was much surprised. But thanks to CUTICURA REMEDIES. Could there be anything on earth that would cause a father to rejoice so truly as when the little innocent one could have such a remedy at hand. (See portrait herewith.) J. A. NILES, Banker Hill, Ind.

A child was brought to me with chronic eczema that had defied splendid treatment from many good doctors. As a regular M. D., should have continued similar treatment, but thought it useless. So put it on CUTICURA. The child is well. C. L. GURNEY, M. D., Doug, Ia.
